

INTERNATIONAL CONFERENCE ON
ENERGY, ELECTRICAL AND POWER ENGINEERING
EEPE 2023

Nov 28-29, 2023; in Mumbai, India.

Last Date of Paper Submission: 20 Oct 2023 Paper Acceptance Notification: 23 Oct 2023 Paper Registration: 20 Nov 2023

Honorary Chair

Prof. Mohiy Hadhoud
(Menoufia University, Egypt)
Dr. Amaresh Chakrabarti
(IISc Bangalore, India)

Technical Chair

Dr. Amitabha Sinha (West Bengal
University of Technology, India)
Dr. Ravi Kiran Kadoli
(NIT Surathkal, India)
Prof. Ali ElMeligy
(Menoufia University, Egypt)

Organizing Chair

Dr. Passent M. El-Kafrawy (Menoufia
University, Shibeh EL-Kom, EGYPT)
Dr. Janahanlal Stephen (Dean, Ilahina
College of Engg. College, India)

General Chair

Dr. Gylson Thomas
(Jyothi Engineering College, India)

Publication Chair

Dr. Durga Prasad Mohapatra
(NIT Rourkela, India)
Dr. Jims Marchang
(NIT Silchar, India)

Publicity Chair

Dr. O. P. Rishi (BITS Ranchi, India)
Dr. A Louise Perkins
(University of South Mississippi, USA)
Dr. R D Sudhakar Samuelli
(S J College of Engg., India)

Program Committee Chair

Dr. Raymond Kosala
(Bina Nusantara University, Indonesia)
Dr. Richard Kumaradaja
(Bina Nusantara University, Indonesia)

International Advisory Committee

Dr. Marc van Dongen
(University College Cork, Ireland)
Dr. Hooman Mohseni
(Northwestern University, USA)
Dr. Suresh Subramoniam
(Prince Sultan University, Saudi Arabia)
Dr. A. Louise Perkins
(University of Sothern Mississippi, USA)

Program Committee Members

Dr. Shu-Ching Chen
(Florida International University, USA)
Dr. Charles McCorkell
(Dublin City University, Ireland)
Dr. Keivan Navi
(Shahid Beheshti University, Tehran)

International Conference on Energy, Electrical and Power Engineering - EEPE 2023 aims to bring together researchers, scientists, engineers, and scholar students to exchange and share their experiences, new ideas, and research results about all aspects of energy, electrical engineering, power engineering, power electronics, control system, instrumentation, communication engineering, instrumentation engineering, digital electronics, electrical power engineering, electrical machines and etc to a common forum. EEPE 2023 will be held during Nov 28-29, 2023; in Mumbai, India. The EEPE conference is jointly organised by the *IDES* and the Association of *Computer Electrical Electronics and Communication Engineers (ACEECom)*.

All the accepted registered papers will be published by the *Grenze Scientific Society* and it will be made available in the *GRENZE International Journal of Engineering and Technology (GIJET)*, and will be indexed in Scopus.

EEPE 2023, is an international conference where theory, practices, and applications of energy, electrical and power engineering and related topics are presented and discussed. Original contributions are solicited on topics covered under broad areas such as (but not limited to):

Power system analysis	Electricity markets	Control of Power Converters
Power system operation & planning	Integrated energy systems	Custom power devices
Low-carbon energy system	Electromagnetic Transients Programs (EMTP)	Distributed generation
Power electronics functionalities	Power electronics, HVDC and FACTS	Distribution networks
Design and control of power electronics	Wind, Solar and Renewable Energy	Power electronics, HVDC and FACTS
High voltage, Bearingless drive technologies	Control Theory and Application	Control Theory and Application
High voltage engineering	Electrical Machines	Electrical Machines
Insulation technology	Electric Drivers and Application	Electric Drivers and Application
Advanced electrical materials	Electrical Traction Systems and Control	Electrical Traction Systems and Control
Renewable generation integration	Industrial Process Control and Automation	Industrial Process Control and Automation
Power generation toward low carbon	Inverter and Converter Technology	Inverter and Converter Technology
Virtual power plants	Diagnosis and Sensing Systems	Diagnosis and Sensing Systems
Active distribution networks	MEMS-Micro Sensors and Structures	MEMS-Micro Sensors and Structures
P2X technologies	MEMS-Related Technology	MEMS-Related Technology
Advanced electrical technology	Construction and protection	Construction and protection
AI technologies	Consumer power electronics	Consumer power electronics
Digital twin in power systems	Bio-medical power electronics	Bio-medical power electronics
	Novel communication technologies	Novel communication technologies

Prospective authors are invited to submit full (original) research papers (which are NOT submitted/published/under consideration anywhere in other conferences/journals) in electronic (Doc or Docx format only) through the email eepe.chair@gmail.com
